## WORKSHOP 5 - VALUE CREATION FOR MAXIMIZING POTENTIAL

**Objective** – To enable leaders to think big and create more value for the business

**Duration** – 1 or 2 days (need based)

**Audience** – Leaders of the different businesses units & verticals

Performance Breakthrough and transformation for an organisation can be achieved when the business is able to get beyond the standard performance and day-to-day operations to a point where the outcomes are significantly better than past achievements to maximize potential.

This workshop will enable to maximise profits, propel revenue growth and arrive at actions that are required to achieve performance breakthroughs for business transformation.

### Outcome

1. Arrive at OKR's
2. Create purposeful strategy
3. Growing beyond the current level
4. Dissecting the business wheel
5. Building high performance teams
6. Performing gap analysis
7. Designing the way forward

## WORKSHOP 7 - NURTURING LEADERSHIP GROWTH

**Objective** – To grow leadership skills to become a better leader

**Duration** – 1 or 2 or 3 days

**Audience** – Leaders & aspiring leaders keen to grow their leadership skills

Having conducted many leadership sessions, it is observed that there is a leader in each one, irrespective of the designation held. The skills need to be nurtured to “Grow the Leader” from within and facilitate leadership development. This program can be customised to your requirements to translate it into organisational growth, high performance leadership for financial growth.

### Outcome

- Develop leadership traits and evolve individual Leadership style
- Overcome leadership challenges
- Effective Communication
- Exploring collaborations and developing synergies
- Build an action plan to overcome the identified gaps
- Design the way forward

## WORKSHOP 8 - BRIDGING GENDER GAP IN THE ORGANIZATIONAL PYRAMID

**Objective** – To groom High Potential women into leadership roles

**Duration** – 12 months (Group sessions + Individual sessions)

**Audience** – Women Managers & above

With an external coach supporting, challenging and nurturing their development and focusing on your organizational values, women can grow faster into the leadership roles of the organisation thus bridging the gender gap in the organizational pyramid.

### Outcome

- Work around solutions for personal & professional challenges
- What it takes to be an influential leader
- Effective communication with team
- Understanding responsibilities as a Leader
- Exploring collaborations and developing synergies with peers
- Building an action plan to grow as a leader
- Designing actions for way forward

## WORKSHOP 9 - FINANCIAL STORYTELLING

**Objective** – To enable the finance team to effectively communicate and present impactfully.

**Duration** – 1 day

**Audience** – Finance leaders

Finance is no longer just the language of numbers. It's the language of leadership. Finance leaders don't just report performance; they shape decisions. When numbers are wrapped in a clear story, they move from information to influence.

Financial storytelling drives better decisions, builds credibility and trust. It also elevates finance from scorekeeper to strategist.

### Outcome

- Storytelling frameworks and techniques that create impact
- Finance leaders communicate with influence, not just information
- Financial data gets translated into clear business stories
- Faster, better decision-making in leadership forums
- Stronger executive presence and confidence
- Finance becomes a strategic business partner

**Testimonials** from clients on financial storytelling are available [HERE](#)

**Objective** – Understand, implement and monitor OKR's to achieve the business objectives.

**Duration** – 1/2 day

**Audience** – Leaders, C-Suite Executives and Entrepreneurs seeking to implement and grow their business through effective use of OKR's.

### WHAT DOES THIS WORKSHOP OFFER?

The proposed topics that will be covered in the one day workshop includes :

- Fundamentals of OKRs
- Benefits of OKRs
- MBO vs Goals vs KPIs vs OKRs
- Demystifying OKR
- OKR cycle
- Types of OKR
- OKR Guidelines
- Exercise
- OKR alignment
- OKR methodology
- OKR Mistakes to avoid

### Outcome

- Improved efficiency due to better transparency and collaboration
- Improved accountability and team alignment
- Focused & tested approach to achieve business objectives

## 13. INDIVIDUAL GROWTH COACHING PROGRAM

### Client testimonials

#### *Coaching Outcome*

Sangeeta demonstrated strong intuition for the deeper underlying factors, asked probing questions and shared several useful frameworks and tools. I would strongly recommend Sangeeta for senior executive coaching and mentorship.

Mythri Sambasivan-George,  
Group CFO, FMB Capital Bank  
Southern Africa

#### *Coaching Impact*

Sangeeta's presence in my professional and personal journey has been a game-changer for me. I gained awareness of my goals through the insightful coaching sessions, reflection, and the tools that she leveraged in our sessions. I gained clarity on the negotiable and non-negotiable things in pursuing my goals that serve as my north star for the road ahead.

Vijay Krishnanji  
Director Innovation, NTT Data Services, USA

#### *Team Coaching Experience*

"Sangeeta always went above and beyond expectations.

She always provides well-articulated and clear insights that help to make crucial decisions for growth.

I look forward to engaging with her again for our training needs".

Ravi Prasad  
Business Head, PSG Dover

#### *Coaching Outcome*

"Having undergone the Coaching sessions with Sangeeta, has been the best Professional Development experience that I ever had.

It helped me to think as a visionary & sharpen my leadership skills through effective communication, strategic thought process & result oriented approach. Her approach of asking the right questions & leading me towards the right answers supported by appropriate decision making tools has been a game changer."

Deepak Birjuka  
Executive Director & Group CFO, Luthra
